

Olivier Jean Brown (Proficient in English & French)

olivierjeanbrown@outlook.com | (613) 617-5361 | [LinkedIn](#) | [ResearchGate](#) | [GitHub](#) | [Website](#)

Profile Summary

Clinical Research Analyst with 6+ years of experience in research operations, including doctoral-level neuroimaging studies, multi-site RCT workflows, and regulatory-compliant data pipelines. Experienced in protocol development, data quality assurance, and advanced statistical analysis. Skilled scientific writer and award-winning instructor, adept at conveying complex research to diverse audiences.

Skills & Expertise

Project Management

- Directed the neuroimaging component for a Health Canada-regulated multi-site clinical research study, including preparation of MRI protocol training materials, data acquisition/management, advanced processing, statistics, and manuscript writing.

Advanced Statistical Modelling

- Applied advanced statistical and machine learning models (e.g., Mixed-Effects Models) to clean, transform, and aggregate multi-modal scientific datasets (e.g., raw MRI, clinical, and behavioral data). Validated analytical integrity and quality assurance for the RCT.

Public Engagement

- Translated complex scientific concepts for non-expert audiences; produced clear, rigorous writing for peer-reviewed publications.

Proficiencies

Programming & Statistics

- R, Python (Pandas, NumPy), SQL (SQLite), MATLAB, SPSS, neuroimaging software (FSL, AFNI, SPM, CONN)

Data Management & Administrative Tools

- Power BI, REDCap, Microsoft Office Suite (Excel, Word, PowerPoint), SharePoint, OneDrive

Selected Technical Projects

- PhD-Report-Tools (GitHub)*: Documented, multi-language analysis toolkit integrating R (data cleaning, LMMs), Python (automated adherence reporting), MATLAB (mock-data GUI), SQL (clinical-database queries), Bash (MRI), and Excel (search-strategy workflows). Automated data cleaning, aggregation, analysis, and figure generation underpinning 3+ peer-reviewed publications.

Professional Experience

Clinical Research Analyst, *Children's Hospital of Eastern Ontario*

Jan. 2026 – Present

- Conduct clinical neuroimaging studies; currently leading preparation of 2+ manuscripts for peer-reviewed publication.
- Perform quality control of 85+ MRI sessions to ensure analytical validity and reproducibility.
- Disseminate findings through abstract submissions and presentations at regional, national, and international scientific conferences.

Clinical Research Coordinator, *Children's Hospital of Eastern Ontario*

Mar. 2025 – Present

- Oversee advanced neuroimaging data collection and analysis, regularly reviewing protocols to ensure consistent procedures.
- Assist technicians with MRI safety procedures and sequence parameters for efficient data acquisition.

Instructor, *University of Ottawa*

Sept. 2022 – Dec. 2025

- Taught the second-year course Biological Foundations of Behaviour to 100+ students in each of four academic terms.
- Developed, administered, and evaluated exams while providing extensive feedback.
- Coordinated tasks and develop marking schemes for teaching assistants, while addressing student inquiries.

Teaching Assistant, *University of Ottawa*

Sept. 2020 – Sept. 2024

- Conducted lab tutorials and provided support for 10+ courses in psychology and neuroscience.
- Collaborated with professors to prepare course materials and grade exams.

Psychometrist, *Dr. Catherine Gow and Associates*

Mar. 2019 – Aug. 2020

- Administered a series of neuropsychological tests for evaluation of clients seeking assessment.
- Marked, compiled, and interpreted test results, preparing reports for the on-site neuropsychologist.

Clinic Support Staff, *Ontario Addiction Treatment Centre*

Jan. 2018 – Mar. 2019

- Collected and analyzed patient samples for corresponding physicians.
- Coordinated with various pharmacies in the city to ensure receipt of written prescriptions and required medications.

Team Lead, *Escape Manor*

Jan. 2017 – Mar. 2019

- Supervising staff member of the escape room company *Escape Manor*, overseeing employee duties and responsibilities.
- Hosted hundreds of guests in a variety of escape rooms, including private workplace events, guaranteeing client satisfaction.

Teaching Experience

Instructor, <i>University of Ottawa</i>	PSY2301 – Biological Foundations of Behaviour	Sept. 2022 – Dec. 2025
Teaching Assistant, <i>University of Ottawa</i>	PSY2301 – Biological Foundations of Behaviour (65hrs)	Jan. 2024 – Apr. 2024
	PSY2116 – Quantitative Methods in Psychology II (130hrs)	May. 2024 – Jul. 2024
	PSY3301 – Behavioural Neuroscience (65hrs)	Jan. 2024 – Apr. 2024
	PSY3108 – Perception (65hrs)	May. 2023 – Jun. 2023
	PSY3108 – Perception (130hrs)	Jan. 2023 – Apr. 2023
	PSY4391 – Neuroscience of Mindfulness (65hrs)	Jan. 2022 – Apr. 2022
	PSY2301 – Biological Foundations of Behaviour (65hrs)	Jan. 2022 – Apr. 2022
	PSY 3307 – Psychometric Methods (65hrs)	Sep. 2021 – Dec. 2021
	PSY3301 – Behavioural Neuroscience (65hrs)	Sep. 2021 – Dec. 2021
	PSY3108 – Perception (130hrs)	Jan. 2021 – Apr. 2021
	PSY1101 – Introduction to Psychology: Foundations (65hrs)	Sep. 2020 – Dec. 2020

Research Experience

Clinical Research Analyst, <i>Children's Hospital of Eastern Ontario</i>	Jan. 2026 – Present
Clinical Research Coordinator, <i>Children's Hospital of Eastern Ontario</i>	Mar. 2025 – Present
Research Assistant (Volunteer), <i>York University</i>	Mar. 2021 – Aug. 2021
Research Assistant (Volunteer), <i>University of Ottawa</i>	Sep. 2018 – Mar. 2019

Education

Ph.D. in Experimental Psychology, Specialization in Behavioural Neuroscience <i>University of Ottawa</i> • GPA: 4.0/4.0	Sept. 2022 – Dec. 2025
Honours Bachelor of Arts in Psychology and Minor in Communication <i>University of Ottawa</i> • GPA: 3.7/4.0, <i>Magna Cum Laude</i>	Sept. 2015 – Apr. 2019

Theses

- **Ph.D.** *Neural Correlates of Resilience in Pediatric Concussion and the Influence of a Mindfulness-Based Intervention.*
Supervised by Drs. Andra Smith & Andrée-Anne Ledoux
- **B.A.** *Emotion Enhancement of Memory in Face Recognition: Encoding, Retrieval, and Gaze Behaviours.*
Supervised by Drs. Charles Collin & Isabelle Boutet

Scholarships and Funding

• Murray Brown Award: University of Ottawa Pause and Reflect: A Mindfulness Journey, \$500	Jan. 2025
• Murray Brown Award: University of Ottawa Society for Neuropsychology, \$2,120	Jan. 2025
• Canada Graduate Scholarships (CIHR) – Doctoral competition, \$40,000 per annum	May. 2024 – Dec. 2025
• Ontario Graduate Scholarship (OGS) Program, \$15,000 (offer rejected)	May. 2024
• Admission Scholarship – Doctorate, \$9,000 per annum	Sep. 2021 – Sep. 2025
• Ontario Graduate Scholarship (OGS) Program, \$15,000	May. 2022 – May. 2023
• Canada Graduate Scholarships (CIHR) – Master's competition, \$17,500	May. 2021 – May. 2022
• Admission Scholarship – Master's, \$7,500	Sep. 2020 – Sep. 2021
• Merit Scholarships of the Faculty of Social Sciences, \$2,000	Sep. 2017 – Apr. 2019

Award

• William Barry Excellence in Teaching Award	Sept. 2024
---	------------

Invited Presentations

• Speaker , <i>University of Ottawa</i> Mindfulness, Stress, and Perception.	Mar. 2025
• Keynote Speaker , <i>University of Ottawa</i> Neuro-Health Awareness Conference.	Mar. 2025
• Speaker , <i>University of Ottawa Society of Neuropsychology</i> A Day in the Life: Clinical Neuropsychologist & Psychometrist.	Oct. 2023
• Discussant , <i>Society of Behavioural Medicine</i> Making an impact after the impact”: Optimizing recovery after Traumatic Brain Injury.	Apr. 2023
• Speaker , <i>Carleton Neuroscience Society</i> My Experience in Academia & Neurophysiology of Pediatric Concussion.	Sep. 2022
• Guest Lecturer , <i>University of Ottawa</i> Pediatric Concussion and Mindfulness, as part of PSY4391.	Mar. 2022
• Guest Lecturer , <i>University of Ottawa</i> War and Humanistic Thought, as part of PSY4130.	Nov. 2022
• Speaker , <i>Canadian Positive Psychology Association</i> Psychological Resilience and the Recovery from Pediatric Concussion.	Sep. 2021

Community Involvement

• Project lead for a uOttawa initiative on mindfulness by directing collaborative seminars.	Jan. 2025 – Mar. 2025
• Peer-reviewer for several manuscripts submitted for publication at high impact journals.	Sep. 2023 – Present
• Co-Founder of the reputable graduate organization, the uOttawa Society for Neuropsychology.	Sep. 2023 – Dec. 2025
• Workshop facilitator on MATLAB for the Interdisciplinary Conference in Psychology.	May. 2023
• Conference judge for Postdoctoral Research Day.	Apr. 2023
• Honour’s thesis evaluation reviewer for University of Ottawa School of Psychology.	Apr. 2021
• Conference judge for Brain Health Research Day.	May. 2021
• Student ambassador for the Canadian Positive Psychology Association.	Sep. 2021 – Dec. 2021
